

Tour of the Control Tower at Sugar Land Regional Airport

The program will start with a description of how a tower operates and their duties to you as a pilot and what they expect from you also. BECAUSE OF THE LIMITED SPACE IN TOWER YOU MUST REGISTER AT

"SGRTowerTour@comcast.net" to be assured a space. Please indicate your preferred time from 10:00 AM till 2:00 PM, and a second choice also.

Directions: Anson Aviation is located at Sugar Land Regional Airport. Turn off of Hwy 6 S onto Terminal Lane, turn at the first left onto Jim Davidson Rd, and drive to the first parking lot on the right in the General Aviation Area.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
